### WINEMAKER'S NOTES

Fruit was sourced from our 8ha block in Marlborough's stunning Waihopai Valley - we call it Snapper Rock's 'ika vineyard', ika meaning 'fish' in Māori.

The 2022 vintage the vintage in Marlborough was excellent. Due to new management, the vineyard not only saw fantastic cropping, the quality was the best we have seen with multiple juicy and healthy bunches per vine. There were no significant frost or rain events and a long sunny summer which all lent itself to a much better vintage than 2021.

Harvest started at 2am on the 1<sup>st</sup> April 2022. Picking at cool temperatures early in the morning ensures we retain optimal freshness and acidity in the fruit.

The grapes were then pressed at Spring Creek vintners and fermented in stainless steel tanks under the watchful eye of Digger Hennessey – with our winemaker Cory Hall advising remotely from Auckland.
